## *Notes:*

## *A Word of Greeting*

*The clergy and staff of Heritage Church greet you in joy as you anticipate your service of marriage. We are pleased that you have chosen the church as the setting for your marriage, and we look forward to supporting you during this important time of planning and preparation.*

*In choosing a Christian ceremony you have sought the blessing of God upon your marriage. There is no more sacred way to be married than to come before the presence of God. Marriage in the church and in all other locations where God's presence is invoked is a worship experience. Christian marriage seeks God's blessing upon the building of a new Christian family. May your time of wedding preparation be a time of blessings, of drawing nearer to God.*

*Your wedding may be small or large, simple or formal. There are certain formalities based upon convenience, custom, beauty and sentiment that do not change; within these limits there is room for most of the variations you may wish.*

*Heritage Church has wedding coordinators who work closely with you in an effort to ensure that your wedding flows smoothly. This booklet is prepared to help answer questions you may have.*

## HERITAGE CHURCH WEDDING POLICIES

**RESERVATIONS** - All weddings are scheduled by the Church secretary (724-238-2627). She will secure the clergy assignment and will notify all church participants to reserve your particular date and time. Reservations are "made" when the required information forms and deposits have been received in the office. No weddings will be scheduled for the 2<sup>nd</sup> weekend in October due to Fort Ligonier Days. Due to a 6:00 pm Saturday Worship Service, all weddings must be concluded and the church must be cleared out no later than 5:00 pm.

**MINISTER CONSULTATION** - Heritage Church currently has one full time pastor, and three retired pastors. After it has been determined by the Church which member of the clergy will officiate at your wedding, you are asked to make an appointment with that person early in the planning process. Your minister will guide you through several sessions of planning and preparation for a positive and growing lifelong relationship.

**OUTSIDE CLERGY** - Clergy from other Christian congregations or traditions are welcome to share in your wedding service with Heritage clergy, with the Heritage pastor as the lead pastor. If no Heritage clergy are requested to be present, the preferred pastor must be approved and invited by the Heritage pastor.

**DINNER AND RECEPTION INVITATIONS** - Please let your Minister(s) know, as early as possible, of any requests for their participation at a rehearsal dinner or wedding reception.

**WEDDING COORDINATOR** - When your date is placed on the church calendar, it is also placed on the Wedding Coordinator's schedule. To help ensure the beauty and quality of your wedding, and because of the many details of wedding day, the Wedding Coordinator is a requirement of all weddings.

**PRE-MARITAL COUNSELING** – Heritage Church is fully committed to the marriage ideal of a man and a woman entering a marriage that lasts *forever*. However, it is clear that enduring marriages take preparation and continuing work in regards to communications, conflict resolution, financial planning, and a number of other areas of relational dynamics. We believe that many marriages that fail lacked proper preparation to attain strengths needed to sustain healthy marriage. Therefore we require that all couples marrying at Heritage Church complete a course in pre-marital counseling with a counselor of their choice. This requirement also applies to those who come for marriage having been previously married, even those who are advanced in years, as other considerations become very important in the “golden years”. Our pastor is committed to this ideal and is a certified counselor with Life Innovations, Inc.’s, “Prepare-Enrich”. You may complete this counseling requirement with our pastor, or with another pastor or counselor of your choosing, with notice to Heritage church of your preferred arrangement.

**MUSIC** – Our church organist is the organist of first option. All other organists, if requested, must be approved by our church organist. Because *some* music of secular nature is not appropriate for a service of worship and will not be permitted for use at Heritage Church, the organist will be happy to assist you in your selection of music. Our organist and the pastor approve all wedding music.

Outside soloists are welcome to participate in your wedding, but are subject to approval by our organist, who will be providing accompaniment on piano or organ, unless another organist is used. If desired, Heritage Church may supply you names of church related soloists for your consideration.

Heritage audio-visual equipment may only be operated by one of our church technicians.

**DECORATIONS** – Consult the Wedding Coordinator of Heritage Church to make certain that the suggestions of your florist and other consultants are in keeping with Church policy. Floral delivery should be at least one and one half hours prior to the time of the wedding. “Rachel’s Ligonier Floral” is the Heritage florist, (724) 238-6626.

In addition to the two altar candles, two seven-candled candelabra are available for use. Pew attachments for bows, etc., are also available to you from Heritage. Do not use tape; other attachment devices need approved by the Wedding Coordinator. A wedding kneeler, if desired, is also available. The unity candle, if desired, needs to be supplied by the wedding couple, and is generally available at religious and bridal stores.

**PHOTOGRAPHY AND VIDEOGRAPHY** – Most professionals are very good and need little guidance. However, a few who bill themselves as “professionals” clearly do not understand the sacred nature of the wedding ceremony, nor the artistic focus that is required in wedding photography. Such photographers are very distracting. By their movement around the sanctuary and the repetitive flash of the camera they can quickly spoil a beautiful wedding. There is no flash photography during the service. Therefore, to protect the sacred nature of the ceremony, all professionals need be approved by the Church office. Have your persons of choice contact the pastor early in the planning process. The pastor will make every effort to connect with the professional to ensure mutual cooperation. In the event that a photographer or videographer violates the sacred nature of the ceremony, the pastor will declare that all further photography cease. Amateur photographs may be taken of the processional and recessional from the pews, but not during the service. Following the service your clergy may re-create any of the wedding scenes for your photographers upon request.

**ORDER OF WORSHIP** – A printed sample of the Order of Worship is available. Your clergy, organist, and Wedding Coordinator will assist you with the information needed.

**SPECIAL ADDITIONS TO THE CEREMONY** – Some couples request special additions to the basic wedding ceremony. Such additions should be discussed during sessions with the minister. Congregational hymns, reading of Scripture and the Sacrament of Communion may be part of the wedding service if desired. Secular readings may be included if approved by the pastor. It should always be remembered that the wedding service is a service of worship in the presence of God, regardless of whether in the sanctuary, or in another setting. Special requests will always be considered in regards to how they honor and glorify God.

**THE WEDDING REHEARSAL** – is conducted by the officiating minister and the Wedding Coordinator. It should be scheduled at a time when all attendants can be present. The normal rehearsal time is one hour. To be finished in one hour it is necessary to start the rehearsal on time. The license and all fees must have already been received.

**THE WEDDING LICENSE** – is a State of Pennsylvania regulation. Without the license in hand the pastor is prohibited by the State from conducting the service. It is recommended the license be in the church office 3 days before the wedding, and certainly not later than the rehearsal. The rehearsal may not begin until the license and all fees have been received.

**RECEIVING LINES** – The more persons included in the line the longer this will take. The wedding coordinator will assist the bridal party in knowing where to stand.

**LEAVING THE CHURCH** – nearly always things are left behind. Have a person in the wedding party look over the church before leaving, including sanctuary and both dressing rooms. Items left over 30 days will be discarded.

## CHURCH RECEPTIONS/REHEARSAL DINNERS

### Security deposits – for both Members and Non-Members

**In addition**, a refundable deposit is required as follows (refunds will be made promptly after it has been determined that no facility damage or extra charges have occurred). Rooms are not “reserved” until deposit is received. To ensure good stewardship of the facility there is no refund if notice of cancellation is not given to the church 60 days prior, or if the party no-shows. Deposit amounts:

Parlor .....	\$100
Fellowship Hall/Dining Room.....	\$200

### FACILITY USAGE FEES – Fellowship Hall/Dining Room and Parlor

We provide an alcohol-free, smoke-free, air-conditioned environment for various sizes and types of receptions. The parlor is for up to fifty persons. The Fellowship Hall/Dining Room seats up to 100 persons. The rate for these areas include set-up, breakdown, clean up and re-set and utilities and maintenance offsets. We would, as a matter of our faith practice, like to move away from a setting of fees, and move more to a concept of thank offerings - a sharing of our joy to God upon this occasion, to be used to further the ministries of the Church of Jesus Christ. However, since a fee schedule is expected and often asked of us, we still present these fee schedules as customary and routine.

**Members of Heritage Church:** There is no charge when either the bride or groom, or the parents have been participating members of the church for at least one year prior to the wedding date; however a charge may be assessed for additional custodial time when deemed appropriate by the Committees, and must be paid in advance. Members who wish to make contributions to the ministries of the church as personal thank offerings of their joy are welcome to do so.

**Non-Members:** Reception rooms are reserved for a three-hour period at a cost of \$150. Rehearsal dinners have a two-hour limit at a cost of \$100. In addition, a fee of \$25 per hour will be charged and deducted from the security deposit for each hour or portion of an hour over the time period.

**FOOD SERVICE:** Catering groups from outside the church are expected to have and supply their own dishware, cookware, and utensils. Table cleanup is the responsibility of the caterer or wedding party. No 50/50 tickets.
