**Christian Adventure** - Bible lessons, songs, mission projects, crafts and snack for all children K-5. Fall and Spring sessions meet on Wednesdays after school and each session runs about six weeks. Transportation from RK Mellon School & Valley School is provided.

**Vacation Bible School** - An exciting week during the summer full of themed activities with Bible lessons, songs, crafts, missions, music, and games. A free bag lunch is provided daily for all children and for youth who help with VBS.

**Summer Children's Church** - In the summer months, we have Children's church during the 10:45 Sunday morning service. After the Children's Message in the regular service, the children are dismissed to go with adult leaders to a classroom for this child friendly, fun activity.

**Bible Mentor Class** - This class is for children in grades three and up. The class is offered the third Sunday of each month during the 10:45 a.m. service after the Children's Message.

**Summer Camp** - A variety of fun summer camp experiences are available for children and youth at Camps Allegheny, Jumonville and Wesley Woods. The church currently pays 75% of the cost.

**Mission Volunteerism** - Children and youth are involved in a variety of mission projects including Operation Christmas Child, community Christmas caroling, collecting stuffed bears for nursing homes, collecting items for flood buckets, back to school kits, health kits, layettes for newborns and other local and international missions.
